

Growing access to patient-centered medical homes across Rhode Island

In 2015, our Collaborative supported the delivery of high-quality patient-centered care across more communities in Rhode Island.

- ✓ 73 adult primary care practice sites
- ✓ 9 pediatric pilot practices
- ✓ 522 providers across our adult and pediatric practices
- ✓ Supporting patient-centered medical homes in 26 cities and town
- ✓ More than 300,000 adult patients
- ✓ 30,000 pediatric patients
- ✓ Includes all R.I. Federally Qualified Health Centers
